PREVIOUS WORK

Soundcrash	2012 - 2014	Live Music Photography
I photographed musicians at Soundcrash and other music events in London		
Jack The Giant Slayer	2011	On Set Work Experience

Shadowing Tom Sigel under the direction of Bryan Singer, managing to do a little more than just getting drinks for everyone, I jammed the time-code a few times, wrapped some cables, and gained a valuable insight into big productions

Portobello Film Festival 2007 Front of House / Projectionist Assistant

I worked closely with the organisers of the festival helping with publicity, at front of house & with the projectors.
